## Realidad, Sueño

From: Michael Wolf <disperser.wolf@mail.ru>

---

I would like to offer to cut up the boats for you, if possible. I have a chainsaw (two actually) that I already tested on glassed plywood that can do the job.

Let me know. I can start with Sueño, cut it up, and load it onto your heavy duty trailer and even haul it away if you like - assuming the dump will take it.

-Mike
